Enjoy a 5K run or 2-mile walk through Quincy's historic district with tree lined streets bursting with fall colors while supporting a worthwhile organization.

The Sammy Fund provides opportunities for children to enjoy rewarding activities in memory of 10-year old Samantha Otte who passed away in 2000.

Programs supported by the Samantha Otte Youth Opportunity Fund include theater and art, mentoring, scouting, as well as swimming and camping activities. Each year qualified organizations can submit a request for funding.
